

# The UltraCeram® Stainless Steel Countertop Water Filter

## UltraCeram® Carbon Cartridge

**NSF Tested & Certified Cartridge**  
*0.5 micron absolute*

### **Ceramic Outer Shell**

The ceramic outer shell is made from Diatomaceous Earth formed from millions of microscopic silicone shells - compressed to give a 0.5 micron absolute rating to remove the finest sediment, bacteria and parasites.

Impregnated with silver ions the ceramic media has enhanced bacteriostatic and self sterilizing properties to inhibit bacteria growth.

### **Carbon Block Inner Core**

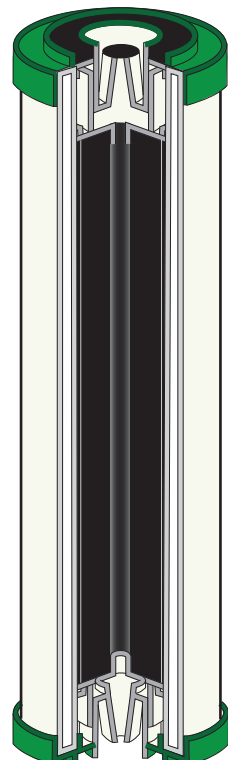

The carbon block inner core is NSF tested to remove chlorine, chloramines, bad taste and odour to NSF/ANSI 42 and chemicals, pesticides and heavy metals to NSF/ANSI 53.

### **Contaminant Removal** *Alcontrol Laboratories UK*

<b>Pathogenic Bacteria</b>	<b>&gt; 99.9999%</b>
Cholera, Typhoid, Salmonella, E. Coli, Faecal Coliform, Shigella	

<b>Cysts</b>	<b>&gt; 99.9999%</b>
Cryptosporidium, Giardia	

**Plus CHLORAMINE REMOVAL**

### **Specifications**

<b>Capacity</b>	12 months/4000 litres*
-----------------	------------------------

<b>Flow Rate</b>	3.5 litres per minute
------------------	-----------------------

\*Dependent on water quality and usage.

**Stainless Steel  
Countertop  
Water Filter**

**Made in UK**

**Ideal for use with Municipal Town Water,  
Rain Water Tanks & Bore Water**

## Included Components

### Scrub Clean & Reuse

If the flow rate from your filter noticeably reduces the cartridge may need to be cleaned or replaced. To extend the life of your filter cartridge simply scrub clean with a new scouring pad under cold running water.

### Quick & Easy DIY Installation

### Portable System - ideal for those renting

#### STEP 1

Unscrew the existing aerator from the kitchen faucet.

#### STEP 2

For a male (external) threaded faucet simply screw on the diverter valve and hand tighten. See *Image A*.

If your faucet thread is female (internal) first screw in the female adaptor provided, followed by the diverter and hand tighten. See *Image B*.
